

## **HRAWI's 10th FoSTAC conclave concludes in Mumbai**

The 10th Conclave of Hotel and Restaurant Association of Western India's (HRAWI) Food Safety Supervisor Training in Advance Catering (FoSTaC) was held last week at the Waterstones Hotel in Mumbai. An FSSAI initiative, the FoSTaC programme is a series of training conducted in association with HRAWI for F&B establishments in the Western region. 40 participants were trained and certified in the latest programme and close to 700 hospitality professionals have been trained over the last one-year.

The training sessions have been designed by the FSSAI for supervisory professionals to make them better versed with food safety regulations and hygiene practices that are followed universally.
