

AccorHotels opens Novotel in South Goa

AccorHotels launched its latest Novotel, in partnership with the Alcon Victor Group and its fourth property in the Goa market. AccorHotels has rebranded the Dona Sylvia Resort to Novotel Goa Dona Sylvia Resort, adding the Novotel brand essence with modern refurbishments. Situated in South Goa, the resort features 181 well-appointed and spacious rooms, villas & suites on the Arabian Sea coastline. Dona Sylvia Resort has always resonated with old-world charm and new-world luxury, creating an authentic Goan ambience along with its perfect location on Cavelossim Beach. The rebranding of Novotel Goa Dona Sylvia Resort strengthens AccorHotels' presence in the Indian market. With 17 Novotels in the country, the brand is particularly well targeted for the modern Indian traveler and international guests.

The property provides a glimpse into the rich traditional Portuguese culture through a mix of contemporary and local heritage architecture, built like a small luxury village in it. Appreciating the needs of today's travellers, Novotel Goa Dona Sylvia Resort features two dedicated conference rooms with a capacity to serve about 200 guests. The resort also offers two seaside lawns by the white sands of Cavelossim Beach, making it a perfect setting for glamorous events and black-tie affairs. With a team of skilled professionals, Sohum Spa at the property provides a variety of Indian Ayurvedic treatments, aromatherapy sessions and revitalising western massages. The property also features an outdoor pool, a fitness centre, an activity area and shopping centre for its discerning guests. So, whether for shopaholics, gastronomes, fitness enthusiasts or nature lovers – the resort's location and features cover all they want.
