

## **Zomato expands food delivery business to 213 cities in India**

Online food delivery and restaurant discovery platform Zomato has launched its services in 17 other cities, bringing the total number to 213 cities in India. With this, the food delivering platform now caters to over 200 million people in India and delivers 38 million orders on a monthly basis. The company is aiming to reach 500 cities in India by the end of September 2019.

The newly launched cities include Bulandshahr and Shahjahanpur in Uttar Pradesh, Solan in Himachal Pradesh, Palwal and Rewari in Haryana, Machilipatnam, Nandyal, Bhimavaram, Ongole, Srikakulam and Kadapa in Andhra Pradesh, Kottayam and Kollam in Kerala, Khanna and Gurdaspur in Punjab, Ambur in Tamil Nadu and Deoghar in Jharkhand. It currently lists over one lakh restaurants and has a last mile delivery fleet of 1.8 lakh partners.
