

## **AxisRooms gets nominated in two categories for the World Travel Awards 2018**

AxisRooms, India's leading travel distribution solutions provider for hotels and travel accommodation has been nominated in the World Travel Awards 2018 in two categories for Asia's Leading Hotel Booking Solutions Provider and Asia's Leading Travel Technology Provider 2018.

Anil Kumar Prasanna, CEO, AxisRooms, said, "We are very delighted with the nominations as our case studies and testimonials to communicate the bottom-line impact of AxisRooms products for hoteliers, but authentic reviews give prospects a glimpse into the unfiltered relationships that we have with our clients, which is invaluable."

The Indian Hotel technology company, which has made it to the nomination list for both Asia's Leading Hotel Booking Solutions Provider 2018 and Asia's Leading Travel Technology Provider 2018. They were the winner of Asia's Leading Hotel Booking Solutions in 2016 and 2017 and this time they have been nominated for the third time in a row. They have also won the award for Top rated channel manager 2018 in Hoteltech awards 2018.
