

## Accor unveils Fairmont Mumbai

Fairmont Hotels & Resorts, in partnership with Shrem Airport Hotels, has announced the grand opening of *Fairmont Mumbai* in April 2025. The newest addition to Fairmont’s prestigious global portfolio—which includes icons like The Plaza in New York, The Savoy in London, and Fairmont The Palm in Dubai—Fairmont Mumbai promises a signature blend of timeless luxury, Art Deco elegance, and exceptional hospitality.

Inspired by the golden age of New York’s Art Deco movement, the hotel effortlessly fuses historic charm with contemporary sophistication. Set to become a landmark in its own right, Fairmont Mumbai features 446 opulent guest rooms and suites, a dedicated wellness floor, and 75,000 sq. ft. of some of the city’s most expansive and refined event spaces.

“This opening marks a major milestone in Fairmont’s global growth and reaffirms our commitment to India—a country rich in culture, opportunity, and energy,” said Omer Acar, CEO of Fairmont Hotels & Resorts. “Fairmont Mumbai, with its grandeur, transformative wellness offerings, and exceptional venues, is poised to become a social and cultural hub for the city—hosting unforgettable events and moments for guests from around the world.”

Fairmont Mumbai presents a diverse and immersive culinary journey across five distinctive dining concepts:

- **Madeleine de Proust** – A refined Indo-French pâtisserie and tea lounge nestled in a botanical garden, offering a nostalgic voyage through global tea traditions.
- **The Merchants** – A vibrant food hall inspired by ancient trade routes and Mumbai’s iconic dabbawalas, celebrating global flavors in an interactive setting.
- **Samaa** – An elegant al-fresco Mediterranean restaurant transitioning seamlessly from sunlit brunches to twilight indulgence.
- **Oryn** – A dramatic, cinema-inspired venue showcasing bold Sichuan and Cantonese cuisine with flair.

- **The Hedonist** – A sophisticated cocktail bar blending curated spirits with plush British-Indian aesthetics—a tribute to the modern connoisseur.

For events and celebrations, Fairmont Mumbai offers one of the city’s largest luxury event spaces, including:

- **Infinity Ballroom** – A 21,000 sq. ft. grand venue with two live theatre kitchens.
- **Eon Ballroom** – A chic, built-in bar venue ideal for upscale gatherings.
- **The Vantage** – A rooftop venue with sweeping city views, perfect for exclusive occasions.
- **Grand Terminus** – A fully equipped business center designed for modern corporate needs.

A sanctuary of wellness awaits on an entire floor dedicated to rejuvenation. Fairmont Mumbai is India’s first luxury hotel to offer a *Longevity experience* at the Fairmont Spa & Longevity. State-of-the-art treatments include:

- **Cryotherapy Chamber**
- **Red Light Therapy**
- **Infrared Sauna with Halotherapy**
- **Intermittent Vacuum Therapy**

Complementing these offerings is **Fairmont Fit**, a world-class gym with advanced Technogym equipment. Guests can also relax in an infinity pool, while younger visitors enjoy the dedicated kids’ pool and the **Tiny Town Kids’ Club**.

Fairmont Mumbai marks the brand’s second property in India, following *Fairmont Jaipur*. With four more Indian destinations in the pipeline—*Fairmont Udaipur Palace*, *Fairmont Agra*, *Fairmont Shimla Fagu*, and *Fairmont Goa Shiroda*—Fairmont continues its expansion across the region.
