Federation of Hotel & Restaurant Associations of India on Tuesday welcomed the restarting of international scheduled commercial flights, saying it will give a ray of hope to the pandemic-hit hospitali-

ty segment and its employees.

"The resumption of scheduled commercial international passenger services from March 27 is a welcome relief. We thank the Govt and Civil Aviation Ministry for it," said Gurbaxish Singh Kohli, Vice President, Federation of Hotel

& Restaurant Associations of India (FHRAI).

FHRAI was following up with the government to restart international travel, especially because most countries have already thrown open their gates for international travellers, he added.
