

FOOD SAFETY TRAINING & CERTIFICATION

FOOD SAFETY SUPERVISOR

Online Advanced Catering Training Session

Date : 23rd August, 2022

Time : 9:30 a.m. To 4:00 p.m.

FSSAI has mandated training of all Central and State licensed FBOs under FSS scheme. **All licensed food businesses must have at least one trained and certified Food Safety Supervisor under FoSTaC for every 25 food handlers in each premise.** FSSAI has introduced FoSTac online courses which comprise instructions for the relevant course and online assessment of the participants.

Please note that the fostac certificate has decided to remove the limited validity period (2 years) from the Food Safety Supervisor (FSS) Certificate and the FSS Certificate will become Perpetual for all food handlers whose Kind of Business (KoB) hasn't changed. However, if there is a change in the kind of business (KOB) a food handler will have to undergo a fresh FoSTaC training and obtain a new FSS certificate related to his current KOB.

End of the session the participants will attend half an hour written assessment test and subject to clearing the test, will be awarded FSSAI Certification.
