Federation of Hotel & Restaurant Associations of India (FHRAI) has announced a scholarship program for students interested in pursuing a 3-year B.Sc. in Hospitality and Hotel Administration from the FHRAI Institute of Hospitality Management (FHRAI-IHM), Greater Noida. Children of employees of member establishments of FHRAI and its direct members will be awarded a 50 per cent waiver in tuition fees on a merit and first-come-first basis. FHRAI has announced the scholarship programme with the aim to offer students an opportunity to pursue world-class education and to increase the availability of quality manpower for the industry by facilitating affordable education from India's leading hospitality management institute.

With the scholarship scheme, FHRAI is making efforts at offering world-class hospitality education to deserving students at affordable costs,” says Mr. Gurbaxish Singh Kohli, Vice President, FHRAI.
