

Savour the Flavors of Nature at The Westin Mumbai Garden City: Plant- Based Brunch

The Westin Mumbai Garden City is delighted to announce its upcoming Plant-Based Brunch, inviting guests to indulge in a culinary experience that celebrates health, sustainability, and creativity. On April 21st, 2024, Seasonal Tastes, the hotel's esteemed dining venue, will transform into a haven for plant-based enthusiasts, offering a diverse array of chef-crafted creations inspired by nature's bounty.

The objective behind the Plant-Based Brunch is to align with shifting consumer preferences towards healthier and more sustainable dining options, while also showcasing the culinary expertise and creativity of our talented chefs. With a focus on sourcing high-quality plant-based ingredients and creating innovative dishes that delight the palate, this promotion aims to provide guests with an unforgettable dining experience that nourishes the body and soul.
