

Lemon Tree Hotels launches its ninth property in Gujarat

Lemon Tree Hotels Limited announced the launch of its latest property—Lemon Tree Hotel, Jamnagar, marking the brand's ninth hotel in Gujarat. The new managed hotel adds to the company's growing footprint across key industrial and tourist hubs in India.

The 60-room property will open in two phases. In the first phase, 52 well-appointed rooms have become operational today, along with Citrus Café, the hotel's signature multi-cuisine restaurant, a fitness centre, and conferencing facilities. The remaining eight rooms will open shortly in the second phase, the company said in a release.

Strategically located on the coast of the Gulf of Kutch, Jamnagar is a vital industrial centre, home to some of the world's largest oil refineries. The city also offers rich cultural and tourist attractions, including Lakhota Fort, Lakhota Lake, Khijadia Bird Sanctuary, Pirotan Island, Balachari Beach, and Bala Hanuman Temple. Its vibrant heritage is reflected in its famed bandhani textiles and intricate embroidery work, attracting both business travellers and tourists alike.

“Jamnagar is an emerging destination that beautifully blends tradition with modern industry, and we are excited to bring the Lemon Tree experience to this dynamic city,” the company said.

Since opening its first hotel with 49 rooms in May 2004, Lemon Tree Hotels has grown to a portfolio of over 210 properties, including more than 110 operational hotels and 100+ upcoming hotels in India and internationally. The group has a strong presence in major metros—Delhi-NCR, Mumbai, Bengaluru, Hyderabad, Chennai, and Kolkata—as well as in Tier I, II, and III cities such as Pune, Ahmedabad, Jaipur, Indore, Udaipur, Kochi, and more. Internationally, Lemon Tree Hotels has also expanded to Dubai, Bhutan, and Nepal.
