

Maharashtra Tourism opens 157 land parcels, existing resorts for privatisation

Addressing the HRAWI Convention held in Mumbai recently, Neelesh Gatne, MD, MTDC, said, “Maharashtra Tourism is launching a major initiative to develop its tourism assets. We have identified 157 land parcels and plan to privatize our existing resorts. Tenders for these opportunities will be floated within the next two months. We invite all hoteliers and tourism stakeholders to participate. Your valuable suggestions are essential to the success of this endeavor, and we will be sharing further details shortly.”
