

## **This Taj hotel has a dedicated pet park**

Taj Holiday Village Resort & Spa, Goa has enhanced the holiday experience for guests who believe that a true getaway includes every member of the family — even the four-legged ones.

A thoughtfully designed space for pets

Set within the resort's charming cottage-style landscape, the newly introduced Pet Park offers a secure, green enclosure where pets can run freely, play, and socialise. The space features shaded corners, lush grassy areas and agility-friendly elements, creating an environment where pets can stay active while their owners unwind nearby.

Curated amenities for pet-friendly travel

To further support guests travelling with pets, the resort provides a range of dedicated amenities, including a specially curated pet menu with vet-approved meals and treats. Additional conveniences such as pet bedding, feeding bowls and access to designated outdoor pathways ensure a comfortable and seamless stay for both pets and their owners.

Redefining inclusive hospitality

With the introduction of the Pet Park, guests can now spend more quality time with their pets throughout their stay, enjoying open spaces for walks, play and relaxation within the resort grounds. The initiative reflects the growing demand for pet-friendly travel experiences and highlights the hospitality sector's evolving approach to inclusive and thoughtful guest experiences.
