

Hilton Garden Inn to Open Near Mumbai Airport, Strengthening India Presence

Hilton, in partnership with Fariyas Hotels Private Limited (FHPL), is set to launch the Hilton Garden Inn Mumbai International Airport, strategically located just minutes from the city's key travel hub. This marks a major milestone in Hilton's expansion in India, reinforcing its presence in the bustling hospitality market.

The upcoming hotel will feature 140 modern guest rooms, state-of-the-art meeting spaces, a 24-hour fitness center, a rooftop swimming pool, and Together & Co., an all-day dining restaurant. Guests can also enjoy &ToGo, a 24/7 convenience store tailored for busy travelers. Designed for both business and leisure, the property combines comfort, convenience, and Hilton's renowned hospitality.

"This project reflects Hilton's dedication to offering world-class experiences in key Indian cities," said a Hilton representative. "Our collaboration with FHPL has brought to life a property that will meet the demands of today's discerning travelers."

The launch highlights Hilton's commitment to growth in India, aligning with its strategy to establish a stronger foothold in major gateway cities, further enhancing the country's dynamic hospitality landscape.
