

IHCL opens first Soulinaire flagship in Alibaug

The Indian Hotels Company (IHCL) has launched its first flagship Soulinaire restaurant in Alibaug, marking a significant milestone for the brand's culinary evolution. Perched along the Alibaug boardwalk, this two-storey coastal retreat introduces a vibrant new dining destination with sweeping views of the Arabian Sea.

“Soulinaire represents IHCL's commitment to delivering elevated and immersive gastronomic experiences,” said Somnath Mukherjee, Executive Vice President – West and Head of Food and Beverage, IHCL. “From its inception as a bespoke catering service, it has grown into a brand synonymous with innovation, craftsmanship, and warmth. The first flagship restaurant in Alibaug embodies the brand's philosophy of thoughtful hospitality and culinary artistry.”

A Contemporary Coastal Haven

Designed to capture the easy charm of seaside living, Soulinaire Alibaug blends alfresco elegance with modern comfort. The 200-seater restaurant features floor-to-ceiling windows, a circular bar, and an indoor pool that adds a tropical flair. The upper level houses a private banquet area perfect for intimate celebrations, while a live kitchen and wraparound balcony enhance the sense of theatre and connection between guests and chefs.

The atmosphere balances relaxed coastal energy with refined design, inviting guests to linger over sunset cocktails or share small plates against the backdrop of sea breezes and soft lighting.

A Menu of Familiar Flavours with Creative Flair

Soulinaire's menu is a spirited celebration of India's diverse culinary heritage reimaged with playful, modern touches. Diners can savour Akuri inspired by old Bombay, Masala Bhaji Croissants, Paneer Tikka Tacos, Murgh Angara Bites, and Tandoori Pomfret.

Regional favourites such as Misal Pav, Gaoran Kombdi Rassa, and Mutton cha Kalvan sit comfortably alongside global influences like Shaoxing Drunken Fish and Truffle Alfredo Pasta. For dessert, indulgent creations like the Molten Choco-Walnut Symphony and Golden Halo Cone bring the experience to a decadent close.

Each dish is designed to evoke nostalgia while delighting with novelty — reflecting Soulinaire’s philosophy of familiar yet forward-thinking cuisine.

A New Chapter in IHCL’s Culinary Journey

With its elegant design, inventive menu, and relaxed seaside ambience, Soulinaire Alibaug captures IHCL’s vision of blending lifestyle, flavour, and destination. The restaurant represents not just a new opening, but a milestone in the group’s ongoing effort to create culinary spaces that transcend dining — and become experiences in themselves.
