

Sayaji Kolhapur's Moon Tree Café Serves Up a Sizzling Culinary Experience

Sayaji Kolhapur turns up the heat this July with an irresistible celebration of smoky indulgence and bold flavours at the Moon Tree Café. From July 4 to 13, 2025, the all-day dining destination will host an exclusive Sizzler Festival, bringing an iconic favourite to life with the hotel's signature flair.

The idea behind hosting a Sizzler Festival was born out of Moon Tree Café's constant endeavour to reimagine familiar comfort food through fresh and engaging culinary experiences. Known for its inviting ambience and contemporary approach to dining, the café curated this festival to resonate with both loyal patrons and modern food lovers seeking bold, hearty flavours layered with a touch of nostalgia. Sizzlers, with their widespread popularity and dynamic presentation, offered the ideal canvas for a flavourful, sensory-driven showcase that reflects the evolving tastes of Kolhapur's diners.

The Sizzler Festival is a celebration of timeless comfort with a touch of culinary drama. We've created a menu that speaks to a variety of palates—something sizzling, smoky, and satisfying for every guest. At Moon Tree Café, we wanted to bring back the joy of the sizzler in a way that feels both nostalgic and new," said Chef Kishan Gunjal, Executive Chef, Sayaji Hotel Kolhapur.

Throughout the festival, guests can indulge in a specially crafted menu that spans both vegetarian and non-vegetarian options. Highlights include the Grilled Cottage Cheese Sizzler, Crumb Melting Cottage Cheese Sizzler, Wok Tossed Tofu Sizzler, Grilled Mutton Steak Sizzler, Grilled Chicken Breast Sizzler, and Barbeque Chicken Sizzler. For those with a sweet craving, decadent desserts like the Sizzling Hot Chocolate Brownie and Choco Lava Sizzler bring a fittingly indulgent close to the meal.

The ambience at Moon Tree Café during the festival is designed to complement the culinary celebration, featuring thematic décor such as sizzler-inspired gates and playful cut-outs that enhance the lively and immersive dining experience.

With bold flavours, thoughtfully curated dishes, and an atmosphere that blends warmth with culinary theatre, the Sizzler Festival at Sayaji Kolhapur offers a

flavour-packed experience that's both nostalgic and refreshingly modern. Guests can look forward to a memorable escape into the world of sizzling sensations—served all day, throughout the festival.
