

IHCL signs new Gateway resort project in South Goa

175-room greenfield project near Colva Beach to strengthen IHCL's growing presence in Goa

Indian Hotels Company Limited (IHCL) has announced the signing of Gateway Resort Colva Beach Road, Goa, a new Gateway-branded resort that will further expand the company's footprint in Goa. Spread across 2.9 acres, the greenfield project will feature 175 rooms and cater to the growing demand for leisure travel in one of India's most popular holiday destinations.

Property Highlights

The upcoming resort will offer a range of dining options including an all-day diner, specialty restaurant and bar. Guests will also have access to recreational facilities such as a swimming pool, fitness centre and treatment rooms. The property will feature a 7,000 sq. ft. ballroom and expansive outdoor lawns, making it suitable for weddings, social celebrations and corporate events.

Leadership Perspective

Suma Venkatesh said Goa remains one of India's most sought-after leisure destinations and the signing reflects IHCL's continued commitment to strengthening its presence in the state. Shrinivas V. Dempo noted that Goa's strong tourism appeal continues to attract travellers from across India and overseas, making the collaboration a significant development for the region.

Growing Goa Portfolio

With this addition, IHCL's portfolio in Goa will expand to 25 hotels, including seven properties currently under development, further reinforcing its leadership position in the state's hospitality sector.
