Hyatt Hotels Corporation has announced the signing of a management agreement with Krivish Hospitality Private Limited for Grand Hyatt Indore, a landmark luxury development in one of India's fastest-growing cities. The project marks a significant step in Hyatt's continued expansion into high-growth markets and will introduce the Grand Hyatt brand to Indore for the first time.

The hotel will be developed on an expansive 11.5-acre site, strategically located in Indore—the economic and commercial hub of Madhya Pradesh. Featuring 250 luxurious rooms and suites, Grand Hyatt Indore will set a new standard for upscale hospitality in Central India. The hotel will include five signature dining venues, a spa, fitness center, swimming pool, and dedicated entertainment zones for children, teens, and adults—designed to cater to both leisure and business travelers.

A standout feature of the hotel will be its 53,000+ square feet (5,000 square meters) of versatile meeting and event space, including a 27,986-square-foot (2,600-square-meter) grand ballroom, making it a premier destination for weddings, conferences, and large-scale events.

“We are delighted to announce plans for Grand Hyatt Indore, the economic center of Madhya Pradesh,” said Dhruva Rathore, Vice President, Development – India & Southwest Asia, Hyatt. “The signing underscores our commitment to growing Hyatt's luxury footprint in India's key destinations. With its strategic location and elevated offerings, we believe Grand Hyatt Indore will set a new benchmark for hospitality in the region.”

Indore has rapidly evolved into a major center for industry, finance, education, and IT, and is supported by robust infrastructure and proximity to key industrial corridors including the Super Corridor, Dewas Industrial Corridor, and Pithampur. The city also benefits from ongoing upgrades to the Devi Ahilya Bai Holkar Airport, enhancing its connectivity and appeal to global and domestic travelers.

“We are thrilled to partner with Hyatt to bring the Grand Hyatt brand to Indore,” said Sanjay Shukla, Director, Krivish Hospitality Private Limited. “This collaboration reflects a shared vision of delivering world-class experiences. Grand Hyatt Indore will redefine luxury hospitality in the city, meeting the growing demand for high-end accommodations and premium event venues.”

Once operational, Grand Hyatt Indore will embody the brand’s hallmark elegance, intuitive service, and immersive experiences—offering global travelers and local guests a seamless blend of grandeur, comfort, and business sophistication under one roof.
