

## **Novotel Mumbai International Airport Launches “Little Hearts by Novotel” - A First-of-Its-Kind Welcome for Young Guests**

Novotel Mumbai International Airport proudly unveils “Little Hearts by Novotel,” a heartwarming initiative designed especially for its youngest guests. This creative program reinforces the hotel’s commitment to curating memorable, family-friendly experiences infused with sustainability and care.

Upon arrival, children are greeted with a special Kids’ Registration Card, making check-in a fun, engaging experience that celebrates their presence. To make the welcome even more delightful, each child receives a sustainable teddy bear, lovingly crafted from eco-friendly materials — a keepsake symbolising Novotel’s warmth, inclusivity, and environmental mindfulness.

Setting a new benchmark for family hospitality in the city, “Little Hearts by Novotel” is a unique concept that blends creativity, sustainability, and heartfelt service, ensuring every stay begins with a smile.

“Our goal is to ensure every guest feels special — and that includes our little ones,” said Rachita Sood, General Manager, Novotel Mumbai International Airport. “With ‘Little Hearts by Novotel,’ we’re creating joyful first impressions while staying true to our sustainability promise.”

With this launch, Novotel Mumbai International Airport continues to elevate guest experiences through thoughtful, family-centric initiatives that spread happiness across generations.
