

Goa airport ranks No.1

Goa's aviation sector has achieved a significant milestone as Goa International Airport, Dabolim, has been ranked the top-performing airport under the Airports Authority of India (AAI) in the prestigious ACI Airport Service Quality (ASQ) Survey 2024. The recognition celebrates Dabolim Airport's exceptional service quality, reaffirming Goa's commitment to providing world-class infrastructure and seamless travel experiences for both domestic and international travelers.

A Moment of Pride for Goa's Aviation and Tourism

The announcement was made on the 30th Annual Day of the Airports Authority of India, where Dabolim Airport stood out among its peers, surpassing Chennai and Tiruchirappalli International Airports. This accolade reflects the collective efforts of the airport's team and stakeholders in consistently delivering superior passenger satisfaction.

Strengthening Goa's Tourism Through World-Class Infrastructure

As one of India's premier tourist destinations, Goa continues to invest in enhancing its connectivity and infrastructure. The recognition of Dabolim Airport aligns with the state's broader vision of promoting sustainable tourism, preserving its cultural heritage, and ensuring that every traveler's journey begins and ends with excellence.

Government of Goa Welcomes the Honour

Kedar Naik, Director of Tourism, Government of Goa, shared his optimism and future outlook:

“The top ranking of Dabolim Airport reflects Goa's dedication to excellence in hospitality and infrastructure. We are committed to further strengthening the state's connectivity through strategic investments in tourism infrastructure, ensuring that Goa remains a world-class destination for travelers from across the globe.”

Airport Leadership Applauds the Achievement

George Varughese, Airport Director, Goa International Airport, Dabolim, expressed his gratitude and pride:

“With great pride and immense pleasure, I announce that Goa International Airport, Dabolim has been awarded 1st rank among AAI airports in India for ASQ rating in the ACI-ASQ Survey 2024. This prestigious award recognizes our dedication to outstanding service quality and passenger experience. It further motivates us as a team to elevate our standards and continue providing state-of-the-art passenger facilities.”
