

## **Adani Airports and Bastian Hospitality launch Maison Twenty-Seven at Ahmedabad Airport**

New premium dining destination elevates the food and beverage experience for airport travellers

Adani Airports Holdings Limited, in partnership with Bastian Hospitality, has launched Maison Twenty-Seven at Sardar Vallabhbhai Patel International Airport. The new outlet is designed to offer travellers a premium dining experience, bringing together contemporary cuisine, sophisticated interiors and elevated hospitality within the airport environment.

The launch reflects the growing focus on enhancing non-aeronautical revenue streams and improving passenger experiences at Indian airports. Maison Twenty-Seven aims to cater to both business and leisure travellers seeking high-quality dining options while in transit.

The collaboration marks another step in Adani Airports' strategy to transform airport spaces into lifestyle and hospitality destinations. By partnering with renowned hospitality brands, the airport operator continues to strengthen its food and beverage offerings, creating a more engaging and premium experience for passengers passing through Ahmedabad Airport.
