

Sayaji Hotels expands into Somnath with new Enrise property

Sayaji Hotels Expands Gujarat Presence with Enrise by Sayaji in Somnath

Sayaji Hotels has expanded its Gujarat portfolio with the launch of Enrise by Sayaji, Somnath, strengthening its presence in one of the state's prominent pilgrimage and tourism destinations. Located on the Junagadh-Somnath Highway, the property combines contemporary accommodation, dining and extensive event facilities for pilgrims, leisure travellers, families, corporate guests and social groups.

The hotel features 59 rooms, comprising 24 Deluxe Rooms, 24 Premium Deluxe Rooms, 10 Suites and one Grand Suite. Dining is led by Momentt, a 160-cover multi-cuisine restaurant serving both in-house guests and visitors. The property also offers three banquet venues — Jewel, Crystal and Vatika — for weddings, celebrations, conferences and meetings. The 26,500 sq. ft. Vatika can accommodate up to 1,000 guests in a theatre-style configuration, while Jewel and Crystal cater to smaller and mid-sized gatherings.

Located near Dari Toll Plaza on the Junagadh-Somnath Highway, the hotel is around 7 km from Veraval Railway Station and 40 km from Keshod Airport, providing access to key attractions including the Somnath Temple, Triveni Sangam and Bhalka Tirth, as well as the wider Gir-Somnath region. Rajendra Joshi, Associate General Manager, Sayaji Hotels, said the launch marks an important milestone in the group's Gujarat expansion, while Ramshibhai Kamaliya, Managing Director of The Divine Resort, said the property aims to offer a welcoming hospitality space for pilgrims, families, leisure travellers and the local community.
