

Goldfinch Hospitality Opens 98-Key Hotel in Panjim

New 98-room hotel overlooking the Mandovi River strengthens the group's footprint in one of India's leading tourism destinations

Goldfinch Hospitality has announced the launch of Goldfinch Panjim Goa, a 98-room hotel overlooking the Mandovi River in Goa's capital city. The new property is designed to cater to both business and leisure travellers, offering contemporary accommodation in a prime location within Panjim.

Property Highlights

The hotel features 98 guestrooms, including seven suites, along with Banjara, an all-day dining restaurant serving a mix of regional and international cuisine. Its central location provides convenient access to key business, cultural and tourism attractions in the city.

Leadership Perspective

Dr. K. Prakash Shetty said the launch reflects the group's commitment to expanding its hospitality presence in high-potential markets while focusing on sustainable growth and guest experiences. Gaurav Shetty added that Goa remains one of India's most iconic travel destinations and the new hotel marks an important milestone in the group's hospitality growth journey.

Strengthening Hospitality Portfolio

The opening further strengthens Goldfinch Hospitality's presence in India's hospitality sector and supports the company's strategy of expanding across key leisure and business destinations. The group continues to focus on delivering quality guest experiences while growing its footprint in high-growth markets.
