

Le Méridien opens new property in Navi Mumbai

Le Méridien Hotels & Resorts—part of the Marriott Bonvoy portfolio—has officially opened Le Méridien Navi Mumbai, marking the brand’s highly anticipated debut in the city. Strategically located in one of Navi Mumbai’s fastest-growing commercial and residential districts, the hotel is positioned to cater to both business and leisure travellers, with seamless access to major hubs and the upcoming Navi Mumbai International Airport, just 12 kilometres away.

Designed with Le Méridien’s signature mid-century modern influence, the hotel features 129 rooms and suites styled in a muted, contemporary palette. Many accommodations offer expansive city and skyline views, complementing the brand’s focus on art-forward, calming spaces. A striking wire-mesh and canvas installation in the lobby—crafted as a nod to local culture—sets the tone for the hotel’s visual narrative. Guests can also enjoy a range of wellness amenities including the Tattva Spa, a fully equipped fitness centre, and an outdoor swimming pool overlooking the surrounding hills.

Speaking on the launch, Kiran Andicot, Senior Vice President, South Asia, Marriott International, said:

“Navi Mumbai is on the cusp of tremendous growth, especially with the new airport nearing completion and opening the city to even greater opportunity. At Marriott International, we’re expanding at a strong pace in India, and it’s encouraging to see our pipeline progressing exactly as planned. Mumbai and the wider metropolitan region have always been a key area for us, and the debut of the Le Méridien brand in Mumbai with the opening of Le Méridien Navi Mumbai marks an important milestone.”

The hotel offers a diverse culinary experience across three venues:

- Hill View Café – A global all-day dining restaurant
- Mizuki – A modern Asian restaurant on the top floor
- Tasse et Café – A chic lobby lounge

Guests can also enjoy the brand’s signature Le Scoop programme, offering handcrafted frozen desserts.

With over 20,000 sq. ft. of event space spanning three venues—including one of Navi Mumbai's largest outdoor event areas—the property is well-suited for corporate conferences, social celebrations, and destination weddings.

Saurabh Chowdhury, General Manager, Le Méridien Navi Mumbai, added:

“Le Méridien Navi Mumbai is an invitation to experience this dynamic city through a new lens. Anchored in the brand's spirit of savouring the good life, we bring together thoughtfully designed spaces, curated culinary journeys, and immersive programmes that celebrate Navi Mumbai's distinctive character. Our commitment to the community ensures every stay feels connected to the destination, its people, and its culture.”
