

# **Lords Hotels strengthens Gujarat presence with Kodinar launch**

Lords Hotels & Resorts has announced the launch of Lords Swastik Studio, Kodinar, a thoughtfully crafted hospitality destination set against the tranquil coastal landscape of Gujarat.

## **A Versatile Address for Modern Travellers**

Located in the quiet town of Kodinar, the property blends comfort, functionality and warm hospitality to cater to leisure guests, pilgrims, business travellers and families. With 25 well-appointed rooms, contemporary amenities and generous event spaces, Lords Swastik Studio is well suited for everything from relaxed escapes to corporate meetings and social gatherings.

## **Dining and Amenities for a Complete Stay**

A key highlight is Blue Coriander, the hotel's in-house multi-cuisine restaurant, offering a lively dining experience with flavours curated for varied tastes. Guests also have access to a swimming pool, landscaped lawns, banquet facilities, a business centre, a children's play area and high-speed Wi-Fi—ensuring a seamless and comfortable stay.

## **Leadership Perspective**

Commenting on the launch, Pushpendra Bansal, COO, said, "This addition in Kodinar reflects our commitment to expanding quality hospitality in emerging destinations. With well-designed rooms, dining options and event spaces, the property is poised to become a preferred choice for travellers to the region."

Sudhir Jena, Corporate Vice President, added, "Kodinar is steadily gaining prominence for both pilgrimage and leisure travel. Through this hotel, we aim to offer a contemporary and comfortable stay backed by true value hospitality for travellers visiting Gir, Somnath, and the surrounding industrial belt."
