

Rajkot gets a new hospitality landmark with Iris Beacon Hotel

The Fern Hotels & Resorts, India's leading environmentally sensitive hotel chain, proudly announces the opening of **Iris Beacon Hotel, Rajkot** on Kuvadva Road, Gujarat. Strategically located, the hotel offers a seamless blend of comfort, convenience, and essential amenities, making it an ideal choice for both business and leisure travelers.

Sharing his enthusiasm about the launch, Suhail Kannampilly, Managing Director of The Fern Hotels & Resorts, said, "We are delighted to introduce Iris Beacon Hotel, Rajkot—a thoughtfully designed property that reflects the signature warmth and hospitality of The Fern brand. With its central location and well-curated offerings, we are confident this hotel will become a preferred destination for travelers seeking affordability and comfort in Rajkot."

Exceptional Comfort and Dining Experiences

The hotel boasts **24 well-appointed rooms**, designed to provide a tranquil and comfortable retreat for guests. Dining options include **Ambrosia**, the hotel's multi-cuisine restaurant, where guests can enjoy a diverse selection of delicious dishes. For added convenience, the hotel also offers **in-room dining**, featuring a variety of snacks, meals, and beverages to suit every palate.

Prime Location and Connectivity

Conveniently located, **Iris Beacon Hotel** ensures easy access to key transit points:

- **28 km** from Hirasar International Airport
- **2 km** from Rajkot Railway Station
- **3 km** from the Bus Stand

Its strategic position provides seamless connectivity to major areas of Rajkot, making it an excellent choice for travelers.

With the launch of Iris Beacon Hotel, The Fern Hotels & Resorts continues to expand its footprint, offering eco-friendly hospitality solutions that cater to the evolving needs of modern travelers.
